

PRIVACY NOTICE:

Integreon Managed Solutions (Philippines), Inc. complies with the Data Privacy Act of 2012 and its implementing rules and regulations and relevant issuances of the National Privacy Commission (the "Privacy Laws") in the processing of personal information and sensitive information (collectively "Personal Data").

Who we are?

Integreon is a trusted provider of litigation, contract lifecycle management and business enablement solutions to discerning clients that include law firms, corporations, professional services organizations and financial services institutions.

We are committed to safeguarding your privacy and ensuring that you continue to trust us with your Personal Data.

We act as a "Data Controller" for the Personal Data we process in the framework of this Privacy Notice. If you have any questions or comments regarding this Privacy Notice or Integreon's Personal Data collection practices, you may contact our Data Protection Officer thru email at dpo.mnl1@integreon.com.

What information do we collect?

Integreon collects the following Personal Data from you when you manually or electronically submit this Application Form:

- Personal contact information, including any information allowing Integreon to contact you throughout the application process (e.g. full name, home address, e-mail address, and phone number); and
- Academic and professional credentials, including any information allowing Integreon to determine qualifications for the role you are applying for (e.g. educational background, work background, affiliation with professional organizations, certifications or licenses)

How do we use your Personal Data?

Integreon collects and uses Personal Data as appropriate to evaluate your application for employment, including but not limited to conducting background checks and interviews. Some job applicant data processing may also be necessary to comply with legal obligations.

When do we share Personal Data?

Integreon may share Personal Data we collect with the third party service providers contracted to provide services on behalf of Integreon for discrete business purposes such as background checks and pre-employment medical exams. Only authorized third party personnel have access to these Personal Data, the exchange of which is facilitated through password-protected electronic copy and email.

Where do we store and process Personal Data?

Integreon will store your Personal Data throughout the application process, the exchange of which between the recruiter and hiring manager will be facilitated through hard copy and email.

Should you be selected for the role, your Personal Data will be stored in printed version on your 201 file and on electronic version on a secured HR database for the duration of your employment. If in the event you are separated from Integreon, we will store the printed version on a 202 file at a secured offsite storage facility of up to five (5) years from the date of your separation. At the end of the said period, Integreon will purge the printed version and only electronic data will be maintained should you require it in the future.

Should you not be selected for the role, your Personal Data will be stored in printed version for thirty (30) days. At the end of the said period, Integreon will purge the printed version. Only selected Personal Data (e.g. full name, contact number, email address, educational background, and work background) will be maintained in a tracker for recruitment analytics purposes. If, in the future, you will decide to reapply, we shall also refer to this tracker to determine your progress and eligibility for reapplication.

How do we secure Personal Data?

Only authorized Integreon personnel has access to your Personal Data, the exchange of which will be facilitated through email and hard copy. Integreon takes reasonable and appropriate measures to protect Personal Data from loss, misuse and unauthorized access, disclosure, alteration and destruction, taking into due account the risks involved in the processing and the nature of the data.

What are your rights in relation to Personal Data?

You may exercise the following rights regarding your Personal Data:

Access. You have the right to obtain from us confirmation if your Personal Data is being processed and certain information in this regard.

Rectification. You have the right to request the rectification of inaccurate Personal Data and to have incomplete data completed.

Objection. You have the right, when we process Personal Data on the grounds of legitimate interests, to object to the processing of your Personal Data for compelling and legitimate reasons relating to your particular situation, except in cases where legal provisions expressly provide for that processing. In addition, you have the right to object at any time where your Personal Data is processed for direct marketing purposes.

Portability. You may receive your Personal Data that you have provided to us in a structured, commonly used and machine-readable format and have the right to transmit them to other data controllers without hindrance.

Restriction. You may request to restrict processing of your Personal Data (i) while we verify your request – if you have contested the accuracy of the Personal Data about you which we hold; (ii) if the processing is unlawful and you oppose the erasure of it and request restriction instead; (iii) if we no longer need it, but you tell us you need it to establish, exercise or defend a legal claim; or (iv) while we verify your request if you have objected to processing based on public or legitimate interest.

Erasure. You may request to erase your Personal Data if it is no longer necessary for the purposes for which we have collected it, you have withdrawn your consent and no other legal ground for the processing exists, you objected and no overriding legitimate grounds for the processing exist, the processing is unlawful, or erasure is required to comply with a legal obligation.

Right to lodge a complaint. You also have the right to lodge a complaint with the National Privacy Commission.

Right to refuse or withdraw consent. Please note that in case we ask for your consent to certain processing, you are free to refuse to give consent and you can withdraw your consent at any time without any adverse negative consequences. The lawfulness of any processing of your Personal Data that occurred prior to the withdrawal of your consent will not be affected.
